

Commission Info/Rules/TO

You can email me for inquiry on commissions at floofkins@hotmail.com or send me a direct message on Instagram.

If you're interested in hiring me for private commission, you're required to read and accept my Terms of Service. You can either read them here, or I'll go over them in detail with you personally if necessary.

BASIC RULES:

1) **You must be able to pay via Invoicing.** this is not debatable, as I use invoices in order to preserve legal rights and protect against fraud/scandals. It is also the only way I can properly receive payment that I can trust at this time.

2) **All transactions are to be paid in full upfront before work begins, and there are no refunds for completed art. Refunds are only possible when I haven't completed the first sketch**

3) **Full references are required, Otherwise it will be counted as a design commission.** Design commissions are more expensive due to extra labor on my part to figure out the details, so I'll need proper color references for your commission unless you wish to pay the extra cost. References should preferably not be pixel art, as it's difficult to properly interpret details from small sprites. Additionally, if you have a composition/pose in mind I'd appreciate images for that too! Failure to provide proper reference of your character (if they're not from media I can search up) will result in extra cost of your commission. If you don't have one, you can come back to me with references later!

NOTE: I will usually post commissioned works on my social media unless you specify otherwise! I'll ask if you don't wish to have your commissioned art shared first to be sure.

- You may not upload or host my work in any gallery that is intended to display your own work only.
- You may not claim my work as your own.
- You may use the Artwork for personal use including but not limited to: avatars, phone or computer wallpapers, and personal website/profile displays.
- You reserve the right to print or create an otherwise physical reproduction of the Artwork as long as it is for your PERSONAL use only (ie. NOT for sale).
- You may not use the Artwork for redistribution or external projects, commercial or non-commercial (i.e. t-shirts, mugs, public flyers, etc.) unless otherwise discussed.
- You are NOT authorized to change, modify, edit or use my works without my permission.
- You are NOT authorized to trace over my Artwork in any way, including the use of the artwork as a "base."
- Any harassment in an attempt to bargain for a commission (a 'slot') is not tolerated. This includes inappropriately worded comments on any of my social platforms, as well as private messages.
- Clients who have commissioned and/or received work before this TOS has gone into effect are still bound to its contents.
- These clients are permitted to include signatures and/or watermarks indicating the Artwork is my intellectual property. Credit in some form is required.

- I reserve the right to post your finished artwork in my gallery for any reason unless discussed and agreed otherwise beforehand.
- I reserve the right to decline any project or client for any reason.
- I reserve the right to refund you the full amount paid if I no longer wish to work on your project for any reason.

COPYRIGHT

- I reserve the right to sign and/or watermark my own work. I will send you a full resolution image (by email or via google docs), but my signature will remain on both the full resolution and smaller versions of the Artwork.
- You are responsible for protecting your ownership over rights to a character design made by me by creating a copy image with your name added as well (ie. through a watermark) when uploading on external sites.
- I retain all copyright over my work, which includes the right to redistribute, reproduce, or use the image as a sample for sales or self-promotion unless otherwise agreed upon. In the case of a Public Commission, I may do whatever I wish with the art (eg. post it to other sites such as Instagram) but will give proper credit to you for ownership of the character's design.
- In the case of a commission, I will not claim the rights to a character design unless it was one of my own designs. Therefore I will not reuse/resell the Artwork for personal or commercial projects unless agreed upon.

COMMISSIONS

ORDERING

- You are expected to have read and understood my rules and spoken with me to confirm the piece you're looking to purchase has been accepted.
- Your commission slot is only confirmed once you receive a reply from me discussing the details (as needed).
- I reserve the right to make changes to your request (ex: due to artistic style) as I see fit unless otherwise discussed. To guarantee the total accuracy of your commission request, please make note of the required details and elements in the form.
- If your commission is highly detailed in any aspect, I have the right to charge a fee to include these details. This fee will be stated before the transaction, and you hold the right to make changes to your commission request (eg. change a character, agree to simplified design changes) before the transaction is complete.
- Please make your request concisely worded with minimal abbreviations, so as to make the note clear to read.
- Any emails, private messages, and comments that you send must be in English. Miscommunication due to mistranslation is at fault of the client if they cannot communicate in English.
- Before taking part in any transaction, you are required to wait for a reply so that we can discuss the details.
- I will - after everything is processed and confirmed - send you an invoice. You need to confirm the payment with me before I start your order.

PAYMENT

- I am not responsible for any mistakes that are made on your part over the course of the transaction.
- I will only accept EURO via Paypal or Wero as payment. You are responsible for making currency conversions.
- It is expected that you deposit 100% of the price upfront before I start. No exceptions.
- After 100% of the payment is sent, I will start Sketching. The Sketch will then be sent to you.

- I will initiate the transaction to avoid accidental transactions. Do not send me any kind of payment until I have confirmed I can accept your commission AND have asked for payment. Failure to comply will result in refund and potential cancellation of your commission.
- Payments via Paypal are sent via Invoice method only unless otherwise stated, but do not require an account to pay. I will cover the Paypal fees as it is expected from the Artist per PayPal ToS. What you see is what you will have to pay.
- I do not accept payment from shared PayPal accounts unless you are not of legal age and use a parent/guardian's PayPal account.
- If payment is not made in a timely manner (48h unless discussed otherwise) after I've placed the Invoice, the commission will be cancelled. Please contact me if there are any delays or issues preventing payment.

PAYPAL DISCLAIMER

- Please note that all of my sales are "Digital Artwork" and it is the Artwork's "Intellectual Property" that is purchased by you, the Client.
- Nothing is ever intended by either me or the Client, to be physically shipped to them.
- I am not required ever to ship any item unless it was explicitly discussed.

REFUNDS

- I can refund 100% of the payment only if I have not started working on the sketch unless discussed and agreed otherwise by my own confirmation.
- Once I start the sketch, you may be refunded 80% of the initial payment. Past the sketching stage there will be NO REFUNDS.
- I can only refund around 80% if there are errors in PayPal fees, taxes and/or transfer fees.
- If I cancel a project, I will reimburse the lost fees and refund 100%.
- If we agree on a payment plan and I start the commission after the first deposit has been done, I will not refund your said deposit if you back out of the Payment Plan.

CHARGEBACK

- You are NOT authorized to issue a chargeback for any reason.
- If for any reason your PayPal account malfunctions or authorizes a refund request without your knowledge, you

must contact me as soon as possible in order to resolve the issue.

- You are required to contact me when you need to cancel a commission request.
- Purposefully issuing a chargeback without contacting me to cancel/refund a project will result in immediate blacklisting for you as well as your email address, and anyone sharing your PayPal account, including side accounts.

QUEUE / SCHEDULING / WORK SPEED / DEADLINES

- I will usually take up to 3-5 days to respond to your initial order inquiry.
- You reserve the right to set a deadline for your commission. This deadline must be disclosed prior to payment.
- I have the right to decline a project if there is too short of a time allowance. I reserve the right to take up to 2 weeks to begin work on your project, and an additional 4-8 to work on said project as needed.
- If due dates are discussed, it is also the clients' responsibility to ensure prompt communication. I will not be held responsible for late delivery.
- No harassment over my work speed will be tolerated, regardless of the time that has passed.
- I will work on commissions randomly. Due to variation of difficulty and time necessary for different requests, slots may not be completed in chronological order.
- You reserve the right to be notified of any delays.

Most illustration projects will be finished within 3 weeks, if the communication runs smoothly. Making animations takes more steps and has a longer process, but that really depends on the project. We will discuss that process, and I can come up with a clear vision of how long it'll take to complete.

REVISIONS AND FEEDBACK

- I will send WIP ('work in progress') images after 100% of the payment is completed.
- These images will come in the form of .jpg or .png files as an attachment in the email or a DM.
- The responsibility is on you to ensure your order contains the details you want me to follow.
- I am not responsible for any unsatisfactory element of the finished design if no feedback was given to amend it.
- I will only send a guaranteed WIP for the Sketch, but you are free to request a WIP at any given time. However, requests must be reasonably spaced (one WIP every 3 days unless given to you voluntarily) so as to avoid harassment and interruption of workflow.
- Up to two major revisions can be made during the drafting/sketching phase of the commission. Only minor adjustments within reason can be made afterwards.
- Each time I send a WIP to a client, I ask the client to provide feedback to me. If no suggestions are requested the client is held responsible for dissatisfaction with incorrect details.
- Two major changes will only be made at the sketch stage, any other changes must be minimal unless a fee is paid. Color corrections will be made at the color stage free of charge.

- Any major changes to the character or subject will be subject to a fee, and the fee will depend on the nature of the change.
- I will not be held responsible for any changes in ownership of the said character.
- After the order is completed, minor changes such as color adjustments are allowed if the missing or inaccurate elements are my faults (e.g., I overlooked details provided in the order).
- In the absence of feedback from the customer, any changes to the final piece will be subject to a fee.
- I will not redraw a completed commission unless payment is received for a second order.

FINAL PRODUCT

- There may be slight differences between the samples in my gallery and the illustration you will receive.
- The commissioner must respect that my artistic style cannot be altered.
- I reserve the right to reject critiques pertaining to artistic skill and stylization, and if the critique reduces the artistic quality of the piece.
- Credit to me, the Artist, is required when you post or use it on another platform.
- You, the Client, are responsible for saving any information, images, and other digital data I provide.
- Any file you paid for will be available from me for a finite time only. I take measures to preserve most files for up to 3 months. However, I cannot guarantee against computer failure or accidental deletion or loss.
- I am not required to post your project in any public space, and if posted, I am not required to keep it there indefinitely. I have the right to delete or remove any public project, even if you paid for it, as you should have your own copy for personal use.
- Feedback of the final product is permitted after completion of the piece, through private messages or comments.
